

Find out how ready you really are for Germany

A clear number, the exact gap holding you back, and a 90-day plan you can download. Under 10 minutes, on your phone.

01 What you will walk out with

- Your Germany Readiness Score, 0 to 100.
- A 5-point picture of where you are strong and weak.
- Your archetype: the kind of candidate you are right now.
- An honest read of your CV and LinkedIn against what German recruiters look for.
- A week-by-week 90-day plan you can download.
- All of it saved to your email, to return to any time.

02 How to do it

- 1 **Reality Check.** Answer 10 honest questions, get your score and radar.
- 2 **CV & LinkedIn Lab.** Upload your CV, paste a German job you want, see what is missing.
- 3 **90-Day Roadmap.** Get your plan, download it, start week 1.

TWO THINGS THAT MATTER

- **Use the same email every time** so your results stay linked across the three tools.
- **Be honest with the questions.** No one is grading you. The score is only useful if your answers are.

ONE HONEST NOTE

This is a mirror and a map. It tells you where you stand and shows you the path. Walking it is on you, and the accountability sprint with the coach is how most people actually finish.
